# <http://www.000webhost.com/>

The screenshot shows the homepage of 000webhost. The header features the 000webhost logo (a red stylized flower) with the text "000webhost POWERED BY HOSTINGER" to its right. Further right in the header are links for "SALE Cheap Web Hosting", "Website Builder", and "Forum". On the far right of the header are a language selector (EN) and two red buttons: "SIGN IN" and "GO PREMIUM".

The main content area has a large heading "Free Web Hosting" in bold black text. Below it, a subtext reads "Zero cost website hosting with PHP, MySQL, cPanel & no ads!". A red button labeled "GET STARTED" with a hand cursor icon is positioned below the subtext.

To the right of the text is a large image of a young woman with blonde hair, wearing a denim jacket, resting her chin on her hand. Below this image is a smaller preview of a website layout, showing a header with the name "AMY OLSEN", a search bar, and a list of blog posts, including one titled "Making A Difference In Any Way I Can".
